## Grant Proposal

Please submit a written Grant Proposal that addresses the following questions:

**1. Organization Mission Statement**

What is your organization's board approved mission statement? (100 word maximum)

**2. Organization's Primary Focus**

**3. Project Title**

Please provide a brief, descriptive name of the project.

**4. Amount Requested (\$)**

**5. Project Summary**

Please summarize your proposal and how it will benefit Huntsville/Madison County. (75 word maximum)

**6. Project Description**

Please describe in detail the proposed project including the scope of activities and the intended impact on clients. (250 word maximum)

**7. Community Need Description**

What need does your project address? Please provide details demonstrating that this is a community need such as census data, community assessments/surveys, independent studies, etc. (150 word maximum)

**8. Who will be served by this project?**

Please describe those who will be impacted by this project. (150 word maximum)

**9. Staff Summary**

What are the names and titles of staff and/or volunteers who will have the greatest responsibility for implementing the proposed project? What skills and experience do they bring to this project? (150 word maximum)

**10. Project Partners**

Will you partner with another organization/other organizations for this project?

Please name the agencies and describe the role they will play, including monetary or in-kind support. (150 word maximum)

**11. Project Differentiation**

What void will your project fill? What sets your project apart from other organizations currently addressing this need? (150 word maximum)

**12. Project Duration**

If approved, when would you begin using funds for this project? When do you anticipate completing this project? What key milestones will verify that the program is on track to achieve its intended results? (150 word maximum)

**13. Proposed Results**

What results will this project achieve and how you will measure these results? (150 word maximum)

**14. Project Sustainability**

If selected for funding, how will your organization sustain the project beyond this funding? (150 word maximum)

**15. Project Challenges**

Describe any challenges you will face to achieving the intended results. How will you overcome these challenges? (150 word maximum)
